HOW CAN YOU CREATE A STAND WITH PROMO 1 EASILY AND QUICKLY?

It takes only a few minutes to build each set thanks to magnetic graphic panels and mounting without any tools.

01— MOBILE AND EASY TO TRANSPORT

Promo 1 is a system of lightweight, sound aluminium frames to be comfortably carried on a trolley and easily transported in an estate car.

02— INTUITIVE MOUNTING WITHOUT ANY TOOLS

You can connect the frames of Promo 1 with special connectors, not using any tools. You can provide it with a number of accessories and extend the system when necessary.

03— REPLACEABLE GRAPHIC PANELS

Replaceable, magnetic graphic panels will help you instantly and easily change the arrangement of your stand when necessary. Remember that the graphic panels make the only elements to be replaced!
